

Fran is a hometown gal who grew up at Crystal Lake PA and took up the game early at the age of 5. Her family has been longtime members of Elkview CC where Fran won the Club championship at 16 years of age.

Fran was the first female in Pennsylvania permitted to play on an all boys high school golf team after she campaigned to be allowed to compete.

After graduation she headed out west to play year round on a travel tour for a couple years hitting such famous spots as Pebble Beach, Spy Glass, and Riviera CC.

Fran ended up staying in California for the next 25 years. After running a successful youth program in her home town, she is now back in Roseville teaching at Diamond Oaks Golf Course and Woodcreek Golf Course.

<hr/>	
45 minute Junior Lesson	\$40
Series of 5	\$140

Teaching Philosophy

"I am very excited to pass on my passion and knowledge of the game. There are some fundamentals that every golf swing must have, however I believe that each person has their own learning style, physical abilities, and goals."
